Alex Capozzi is a certified civil trial attorney at Brach Eichler. He has extensive experience litigating catastrophic injury and wrongful death claims in both New York and New Jersey. Alex has personally obtained several multi-million dollar jury verdicts on behalf of injured victims and he is believed to be one of the youngest attorneys in history to obtain a multi-million dollar jury verdict at trial. Given his experience, education, knowledge, and skill in civil trial practice, he has been designated as a certified civil trial attorney, a distinction achieved by less than 2% of attorneys in the United States. Outside of the office, Alex is a board member of several organizations dedicated to protecting ordinary families, workers, and consumers by fighting to preserve and strengthen the laws governing product safety, safe workplaces, and quality healthcare.
